Another year. Another Fish Fry. Another success.

With only a bit of in climate weather Sunday morning, the weekend of July 21 and 22 offered a beautiful setting for the 68th Annual Fish Fry.

Year after year, this event brings people together at Eisenhower Park to enjoy food, sun, music and fun while supporting the Lions club and the surrounding community.

With plenty of seating, room for dancing and room for drinking, people had a wonderful time.

Attendees were heard complimenting the new layout, the new beer garden and of course, the food.

Thanks to Co-Chairman Lion Mike Halley, the security team was commended as well for their visibility and effectiveness.

Complete with their green vests as well as Lion Dave Hubbard's special RITY-SECU vest, these volunteers kept the event

safe for all.

Thousands heard music from a great lineup of bands including Joe Schmoe, Cuzin Judy, Robby Armstrong, Persons of Interest, Ty G and the Firestorm, Dangerous Stranger and The John Grillo Band.

A welcomed surprise came when Ty G brought in some amazing performers to play their Tribute to Rick James. Complete with black and red outfits and an inspired lead singer, this band was a definite crowd pleaser and will most likely be welcomed back next year.

The Lions Academy Award winning weekend continues to get bigger and better each year.

As Chairman Scott Newton confirms in the "Lions Weekly ROAR," this was our biggest Fish Fry ever with "record sales, record crowds and record fun."

Thanks to the 250 Lions, Leos and friends who helped to make this successful event possible. It is only because of volunteers that the Seal Beach Lions Club is able to do what we do.

### Engaging Our Youth

This month's Global Service Action Campaign focuses on "Engaging Our Youth." Lions can engage youth in service by planning projects to which young people can relate. Encouraging their input and participation can help today's youth gain valuable leadership skills in a world of service. Project ideas include painting a playground, donating supplies to local schools, organizing a board game drive and more. ## PRESIDENT'S MESSAGE

ELLEN LIEBHERR

*President*

OUTSTANDING! There is no better word to describe our 68th Annual Fish Fry. From beginning to end, the weekend was a huge success. We keep breaking records as our major fundraiser continues to grow. Why? Because of club participation. From all of the meetings with the team leaders prior to the event to members working throughout the weekend, it was a team effort. With close to 250 volunteers, how could this be anything but a success?

Special thanks to Chairman Scott Newton who held the proverbial oil can to the machine. The first one there, the last one to leave, Lion Scott gave it his all. He spent countless hours getting things organized and keeping us all on track. It should be noted that most of the changes implemented in recent years have come from Lion Scott's suggestions. Great job Scott.

Kudos also to other team leaders – IPP Mike Haley for security, Lion Dino Syrengeas for the great entertainment and food and beverage purchases, Lions Laura Ellsworth and Terry Stephenson for keeping track of the money, Lion Camille Romano for the merchant raffle, Lion Gary Denni for set up, Lion Lindsay Safe for volunteer scheduling, Lions Cathy Newton & Philip Sneyd for managing the Leos, Lion Marilyn Redd for dishing the

cole slaw, Lion Jackie Maloney for keeping the condiments in order, Lion Chris Langlais for the ticket booth, Lion Andrew Terbush for grill management, Lion Eric Reese for the T-Shirts, Lions Mark and Inger Newton for table cleaning, Lion Alan Chavez for managing the trailer and equipment, Lions Robin and Tom Duszynski for food prep, Lion Seth Eaker for publicity, Lion Tim Kelsey for sponsorships, and of course Lions Brad Barras, Grant Newton and Diana Bean for managing the ever popular beer booth.

And...a very big thank you to Lions Bruce Gormley and Renee Schulte for chairing the car opportunity drawing. We sold out early again this year due to their diligence. They did a super job keeping track of all 600 tickets. It was great to see a Seal Beach resident win the car and how about Lions Gary and Mo Sethi winning the 2nd and 3rd prizes. I guess that is what happens when you buy 10 tickets!

There were also some un-sung heroes that added to our success. Lions Gay Snyder-Johnson and Shanie rae Erickson put us all to shame when it came to ticket sales. Did anyone say NO to them? I don't think so. And thanks to Lion Brad's brawn and Lion Grant's brains we now have new beer garden booths. (That will probably cost me a few dollars at the next meeting!)

Again thanks to all who participated. The funds raised from this event will help us make a difference in the lives of many people.

Now let's get ready for some fun. Our volunteer appreciation beach party is right around the corner. Join us on August 18 at Barney's Beach. Lion Les Shobe and crew are busy making plans for an enjoyable day of BBQ, beach, music and fun. Make sure you have given him your waiver or you will not be allowed on base.

We are already off to a great start so let's keep that team spirit going to log another banner year for the Seal Beach Lion Club.

Regards,  
President Ellen

## Chairman effected changes

LINDSAY SAFE

*Editor*

In the past, Lions and Fish Fry patrons alike were familiar with the pileup that ensued after the fish met the plate. As one tried to get to the tartar sauce and other condiments he would battle the "bar" crowd. However, this year was different.

Chairman Scott Newton decided to make some changes to the event layout. Not only did he add an information booth and greeters to help with the flow of event goers, but he also moved the beer truck from its long-

time position at the end of the food line to the middle of the park.

In addition, beer garden team leaders Lions Brad Barras and Grant Newton aided in the decision to create one giant beer booth. The latter decision did not come without some skepticism. However, the skeptics concerns were put at ease when nothing but positive comments came from the crowd.

Complete with bistro tables, ashtrays and lots of room for visiting, Wally's Watering Hole kept the libation lovers out of the way of the fish fanatics.

## Local lady wins car

**LINDSAY SAFE**

*Editor*

Again Lions sold 600 tickets in record time for this year's car opportunity drawing.

At the height of the Fish Fry, Lions Bruce Gormley and Renee Schulte along with the Miss Seal Beach girls drew the winning tickets for this year's prizes.

With 10 tickets in their names, the iPad and the TV went to our

very own Lions Gary and Mo Sethi.

Although she cannot drive anymore, a local Seal Beach woman won the black 2012 Ford Edge.

Each year she buys a ticket in support of the Seal Beach Lions Club and the charities served.

As she does not need the car, she decided to sell it back to the dealer and take the money instead.

# Leos served with smiles and heart

## Leos triumphed at the Fish Fry

LINDSAY SAFE

Our ever-popular Leo program came through for the Lions once again.

From set up to clean up, this wonderful group of young adults, helped the club pull off another hugely successful event.

Under the supervision of Lion advisers Cathy Newton and Philip Sneyd, the Leos worked tirelessly to grill up our infamous bratwursts, Cajun sausages and jumbo hot dogs. The advisers growing expertise in expediting and the Leos hard work kept the line for the grills from backing up once.

Not only did these kids work diligently to man the grills, they were always on hand for other tasks as well. Leos were there building booths, hauling equipment, scooping coleslaw, filling condiments and drinks, cleaning tables and even helping those in need.

As always our Leos are in need of the deepest praise—they are the future of this club.
