SEAL BEACH LIONS CLUB

48th Annual Arts & Crafts Faire • Eisenhower Park, Seal Beach

August 2026

Dear Artist,

Welcome to the 48th Annual Seal Beach Lions Arts & Crafts Faire! We're grateful you're joining us this year, and we want to make sure your setup, show days, and move-out go as smoothly as possible. Please take a few minutes to read through the details below before you arrive.

Your Booth Location

The attached Booth List shows your assigned booth number. Use the attached map to find its exact location in the park. Please set up only within your assigned space.

Faire Rules

Please review the attached rules carefully and make sure both your booth setup and the merchandise you sell conform to them. We do enforce these rules: vendors who are found in violation may be removed from the event the day of the faire, and no refund will be issued in that case.

Setup — Saturday Morning

Setup begins at 5:00 a.m. on Saturday. A few things to know:

- You may unload on Ocean Blvd, but you'll need to unload quickly and move your car right away — please don't leave it parked in the unloading area.
- Parking is not included in your vendor fee. If you plan to park in the beach parking lots, we recommend downloading the Passport parking app before you arrive.
- The Lions will have a limited number of volunteers available to help with unloading, so please come prepared to unload on your own.

Lunch & Booth Delivery

As in previous years, the Leos — the Lions Club's youth group — will be grilling up lunch all weekend. This is their main fundraiser of the year, so we hope you'll stop by and support them. If you'd rather not leave your booth, we can deliver your order directly to you.

Overnight Security

We will have overnight security on-site. That said, we do not recommend leaving merchandise or money in your booth overnight, as we are not able to take responsibility for any loss.

Move-Out — Sunday

Move-out will work differently this year, due to issues we ran into last year. You will not be able to move your car into the loading zone on Ocean Blvd until your booth is fully packed up and ready to load. Once you're in the loading zone, there will be a limited amount of time you can remain there, so please have everything ready to go before pulling your car up.

Marketing & Featured Artists

We've been running a marketing campaign on Facebook and Instagram for the past two months, and we're now shifting to a more visual campaign highlighting some of the items available for purchase at the show.

If you'd like to be a featured artist, email Elizabeth at: sblionsartsandcrafts@gmail.com. A photo of yourself is a great addition if you have one. Please also tell us a little about what you sell, how long you've been doing it, and how you got started.

Attached is the show flyer- please send it to all of your contacts to help spread the word!

If you have any questions, please visit the Seal Beach Lions website at: www.sealbeachlions.org

Thank you again for being part of the faire. We're looking forward to a great weekend, and we're here to help if you have any questions before the event.

Warm regards,
The Seal Beach Lions Club
Arts & Crafts Faire Committee
