Lions sort eyeglasses

LINDSAY SAFE

Editor

Labor Day weekend included a little bit of labor as several Lions gathered at Lion Nikki Illingworth's house for another great day of sorting eyeglasses.

New sorters came by to help. They learned the process of separating the readers from the prescriptions and deciding whether the glasses are old and ugly or

new and modern. They also found the joy in finding the most unique glasses in the bunch.

A day of sorting is never complete without some brats and hot dogs; however, Lion Nikki and Neil Gormley introduced the group to the "Walking Taco Bar" they discovered while biking across Iowa this summer.

Lions had another great time sorting eyeglasses.

PRESIDENT'S MESSAGE

ELLEN LIEBHERR

President

I am reminded of an old saying "an idle mind is the devil's playground." Well, we must all be saints since our calendar is packed. October brings a number of opportunities to SERVE and I hope to see many of you participate.

Lion Mike Ferreira could use some help at the Founder's Day Concert & BBQ on October 7. October 20 brings us three projects in one day. Lend a hand to Lion Dave Hubbard at the Sailing for the Visually Impaired project or Lion Diana Bean at the Seal Beach Triathlon. To end the day, head over to Lion Dino & Dora's for the club's chili cook-off.

On October 27 Lion Diana Brunjes will chair cooking hot dogs and hamburgers at the McGaugh School Carnival while Lion Les Shobe & team will be at the Los Alamitos Joint Forces airbase on marking all the spots for exhibitors in preparation for the Sunday October 28 Wings, Wheels, & Rotors Expo where we will be flipping pancakes and cooking hot dogs.

All of these chairpersons need your help. If you have missed meetings and the sign-up sheets, email or call the chairs to see how you can help. Yes, we commit to a lot but I know our members will step up to the challenge.

Speaking of the Wings, Wheels & Rotors Expo, the more I learn about this event, the more I am intrigued. It has been going on, and growing for the last 11 years but up until last year,

I had never heard about it. This event draws about 35,000 people and displays hundreds of classic cars, motorcycles and military & civilian aircraft. There are helicopter rides available for purchase and free airplane rides for kids 8-17. www.wwexpo.net. And, it's in our back yard!

We will be doing what we do best – cooking pancakes for the volunteers and event participants followed by a hot dog booth for the huge number of visitors expected to view the show. It will be a busy day for us – sunrise to sundown. We need your help. Contact Lion Scott to sign up. Add a little time before or after your shift to tour the exhibits. I understand it is really something to see. Where else would you get the opportunity to see the Predator Drone in person! Here's your chance.

We had an entertaining Governor's visit on October 3 thanks to Lion Dave Hubbard. He put together a show featuring our own Officer Bill who, while munching on a donut and cup of coffee, arrested District Governor P.J. Smith for a long list of violations.

Along with sharing his and International President Wayne Madden's program on literacy, Governor P.J. announced our nine Lions who will receive Melvin Jones Fellowships this year. Congratulations to Lions Camille Romano, Lindsay Safe, Mike Haley, Cathy Newton, Grant Newton, Kristine Albertalli, Aro Riley, Adriana Ziegenbusch, and Scott Newton. This is the highest award given by the Club for outstanding service: They will be honored at the annual District Award Dinner in January.

Big thanks to Chairman Cathy Newton for her work on the Animal Shelter's Wag-n-Walk, Chairmen Gary Denni for the Coastal Clean Up, Lion Scott for the Leos booth at the Art Festival and Lion Camille Romano for the Leos Thank You Dinner. Great job and thanks too to all who worked these projects.

It is frightening to think that the holidays are just around the corner. It's time to gear up for our Thanksgiving and Christmas projects. If you think we are busy now, just wait a few weeks!

Keep up the Team Spirit. It's contagious!
Regards, President Ellen

Lions and Leos walk for beach

LINDSAY SAFE

Editor

On Sept. 15, Lions and Leos met at 1st Street for Save Our Beach’s third annual “Walk for the Beach.”

Lions and Leos braved the 100-degree heat and walked the beach picking up trash.

That day, Chairperson Gary Denny and his team were part of over 70,000 people cleaning the entire coast of California.

Lion helps teacher

SCOTT NEWTON

First Vice President

A new kindergarten class was created for children with Autism at McGaugh School and a brand new teacher was assigned to that class.

Lions came to her rescue just days before school started helping to get the room ready, computer equipment working and supplies tucked away.

Lion Scott Newton made a custom step for the kids to reach the sink to wash their hands.

Lions go international in Orange

LINDSAY SAFE

Editor

The heat did not stop 10 Seal Beach Lions from attending the annual Orange International Street Fair Labor Day weekend.

The historic Downtown Orange Circle was alive with people enjoying food and cultures from around the world.

Lions indulged in beer from Ireland, tacos from Mexico and Æbleskivers from Norway.

After shopping for arts and crafts around the circle, Lions headed over to visit the Orange Lions Club and buy a bratwurst or two.

However, it was not just a day of fun in the sun as Lion Scott Newton gained some insight on how to improve the beer garden at the next Fish Fry as well.

Seal Beach Chamber of Commerce celebrates Lions and Leos

SCOTT NEWTON

First Vice President

Twenty-five Seal Beach Lions, most Chamber members as well, attended the Seal Beach Chamber of Commerce’s “Night of Appreciation” awards dinner on Sept. 12 at Old Ranch Country Club.

It was exciting to see Lion Seth Eaker win the coveted Men’s Small Business of the Year award for is consulting firm, Black Marble. It was also awesome to learn that Lion Seth will be the Grand Marshal of this year’s Seal Beach Christmas Parade.

The real treat of the evening came when the Chamber gave a \$1,000 check to our Lions club in appreciation and support of the Leo program.

SB Lions bid for Casa Youth Shelter

SCOTT NEWTON

First Vice President

Ten Lions and one guest attended Casa Youth Shelter's 34th Anniversary Dinner and Auction Gala Event: Commander's Ball at the Hyatt Regency Huntington Beach on Sept. 29.

More than 590 individuals attended the event that raised money for the shelter and celebrated Lucianne Maulhardt's 25th anniversary with the shelter.

The Seal Beach Lions Club donated \$1,750 for the event and through the auction; each Lion donated hundreds more towards the cause. Lion Jim Klisanin loaned his truck to Casa to move gifts and prizes as well.

Casa's "mission is to provide temporary shelter for runaways and youth in crisis, enabling them to come through the crisis with increased personal strength and a sense of renewal while in a supportive environment with family reunification as a primary goal."

Since its beginning in 1978, Casa has served 10,811 kids and affected 42,789 family members.

Lion Mattie Kline makes new friends while taking care of her mother

MATTIE KLINE

In June, my 94-year-old mother, who lives in Minnesota fell and fractured her femur. She fell again at the physical therapy center and injured her rotator cuff and displaced her humerus bone. I knew I could no longer wait to go--it was time to go.

She was in pretty good spirits and they had many activities for the patients. I read that the local Riverside Lions Club in Fergus Falls was going to "call" Bingo that evening, so we decided to go. Mom enjoyed this and so did I as it gave me a chance to meet some amazing caring Lions!

They come once a month and they are fun, energetic and true givers! We came

away with LOTS of candy and new friends.

About a month later, I was still in Minnesota and called to find out when they meet, and I was a warmly welcomed guest. They provided an array of home-cooked foods and it was delicious. But, the best part was they welcomed me with opened arms.

I've since had one of the gentlemen (their Tail Twister I might add! Brad eat

your heart out!!!) take time to stop and say prayers and encourage my mom who was back in the hospital. I'll be forever grateful. We have a new friendship and it is fabulous to feel the care from fellow Lions! Their small club rocks!

They also requested I ask our club "If we could be Sister Cities Clubs," and I've since heard it is called Twining. So, they are anxiously awaiting our response. It would be fun to give them ideas for activities and mentoring. Perhaps just getting our Growl and Roar as a roadmap would help show how we impact our communities! No "Hand Holding" necessary, just fun for them to see how we are keeping busy in Seal Beach.

It was a time of fellowship and friendship and it doesn't get any better than that!

Lions wag n' walk n' grill for the SBACC

SCOTT NEWTON

First Vice President

Thirteen Lions and 19 Leos participated in the 17th Annual Wag n' Walk on Sept. 29.

We grilled hot dogs, bratwurst and turkey dogs for the hundreds of participants at the event. Many dogs seemed nervous seeing the "Hot Dogs on the Grill" sign.

In addition to raising money for the Seal Beach Animal Care Center (SBACC), it was a great day of public relations for the club.

Special thanks goes to Chairperson Cathy Newton. She did an exceptional job delegating the set-up of the event.

White canes promote sight care

SCOTT NEWTON

First Vice President

Chairperson Debbie Laws led a team of Lions and volunteers from the Veterans Affairs Blind Rehabilitation Center that promoted Lions Sight Preservation activities by distributing white canes to the public.

It was especially impactful to have the three visually impaired veterans assisting and sharing their stories with the community.

Additionally, our big, yellow mailbox was available for people to make eyeglass and hearing aid donations.

A total of \$181 was raised for Lions sight activities.

Leos feed art fans

LINDSAY SAFE

Editor

Painters, jewelry makers, sculptors and other artisans covered the grass at Eisenhower Park on Sept. 8 and 9 as the Leos barbecued for the annual Seal Beach Arts & Crafts Faire.

For the Leos annual fundraiser, they grilled bratwursts, polish and Cajun sausages and jumbo hot dogs for the art fans.

The Leos had a great day and raised approximately \$2,200 for charity.
