

Parking: This is a difficult evening for parking so we recommend coming early and carpooling as best you can. The 8th Street beach lot is closed for parade staging but other city lots are open at: 10th Street Beach Lot (Limited due to construction); 8th & Central; 1st Street Beach Lot - these lots will fill early and the 8th street beach lot closes at 6pm. Your best bet for parking is along public streets in Old Town or on the Hill.

You are cautioned not to park in private business parking lots as you may be towed.
